[Next Meeting Monday December 6th](#)

## Treasurer's Report

Mendy: The group paid for conference meals for the teachers. This amount has not been calculated into the balance yet.

Mendy: 'poll' the BR staff to find out what teachers/staff want for a gift.

Rebecca will send an email to Mr. Clark with a Google Form with survey questions.

Group discussed past gifts and meeting attendees provided input from their perspectives: teachers & staff included.

## Old Business

### Trunk-or-treat

Kristy

Kristy and her husband handed out candy. They had a game that students seemed to enjoy (candy wheel) Only 6 or so cars participated. Kristy handed out 100 neon bracelets and all were gone. Jen brought candy and Kristy knows that not all students got a bracelet. Jen took leftover candy to the teacher lounges. There was another event going on in Homerville so people were split.

### Digital Signage

M. Yocum followed up. Contact the MS secretary to get items posted to the digital board.

# New Business

## Officer Elections

Rebecca

The BRPP bylaws state that members can serve 1 calendar year, for two terms. The Prez, VP and Treasurer terms are up. You can read the officer position descriptions in the bylaws.

Rebecca volunteered for President

Mendy -stepping down as treasurer. Mendy commented how being responsible for the group account sounds scary but she will be there to help the new treasurer. Spencer Farmer's Bank is where the account exists. There is a debit card. When the new treasurer takes over, the past names need to be removed from the account. Mendy also has the treasurer's book.

Kristy -A treasurer should be someone 'in' the school. Someone who is connected and can easily work on collecting orders, make copies, etc. Especially when meeting start being back in person.

Mendy nominated Jessica M.

Jessica Accepted with the contingency that she can only attend via Zoom, even if the group is in-person. Also, she may not be able to attend every meeting.

Mendy said that she has been absent recently and simply provides the numbers to the prez and the prez reports the amounts at the meeting in her absence.

Kristy nominated Nicole E. for VP. Nicole accepted.

Kristy volunteered for secretary because this seat became vacant when Rebecca volunteered for Prez.

## Playground improvements

Rebecca: Showed aerial view of the playground. Also, attainable ideas like painting courses like hopscotch and 4-square. There are two very faded hopscotches on the sidewalks now.

Mendy: If we are painting a game w/ balls, consider purchasing a bag of balls for each grade level and hooks.

Jessica: Asked about balls students carry through the lunch line.

Group: These are personal balls students take to the playground.

Jessica: If there are grade level sets of balls that would help in the cafeteria because students don't always hold onto their balls.

Mendy: Reminder from a past commitment. The group is already responsible for mulch for the preschool playground.

(Rebecca will check more into this.)

Nicole: Granger elementary is auctioning off items from their old building. Nicole will share info. later. There could be balls in the auction or other items the group may be interested in.

Rebecca showed more photos of the playground. Asked the group to consider where the GaGa Ball Pit should go. The price of the estimate from Mr. Griffin was \$4,363.00 from 2019 for the pit installed at his past school.

## Next Meeting Monday December 6th

Mendy: Before Dec 1st the officers need to meet for the final decision on staff gifts.

We need to contact the company for Secret Santa Shop and see if they can work with us this year. Rebecca will ask Jen about this.
