## Playground Plans

Mr. Griffin: Swings are back with new saddles and chains. Some adjustments need to be made to their heights yet to fit all ages. Suggested a GaGa Ball Pit for an addition to the playground. At his previous school it was so popular that they had to limit it to 1 home room per day. Another swingset would be good.

Discussion

Building the GaGa Ball Pit would have to be done by a reputable installation company.

Possibly a Volleyball net, to support the older students play?

## Introductions

## Elections

Officer terms are coming up for Pres & VP

## Upcoming Fundraisers

Kristy summarized what fundraisers are planned for this school year. She mentioned the pie sale.

October 4, 2021

Meeting Held online via Zoom

Attendees: Jennifer F (president) Kristy N (VP) Rebecca R (secretary) Adam G, Bonnie C, Cherish, Nicole E, Jennifer H, Jessica M, Martha M, 3 via phone, Wendy R, Mrs. Yocum

Mr. Griffin is going to postpone his Pie Fundraiser but will bring back the Daddy Daughter and Mother Son Dance. He has sent a 'purposes and goals' for the events to the Board of Ed.

Jen/Wendy: The staff has ran the those past committees

Rebecca: A fun after school for students could be 'Make a Scarecrow'. This would have to be for next year. Possibly the woods class students could make the posts and flannel shirts/jeans could be collected and students could sign up for an after school 'make and take'.

Mrs. Yocum: No special requests this year. Maybe the scarecrow idea can be done with the community outreach program. Let everyone know of a STEM night in the spring, there will be LEGOS that night. There's a gourmet popcorn business in Wadsworth. (American Classic Snack Company) Could be a fundraiser idea.

## Popcorn Sales

Previous business was in Grafton (Chruchin' Munchin' Popcorn) and plans for a popcorn fundraiser won't be until January.

## Secret Santa Shop

Currently there is no space for that to be done in person.

Discussion: on possibly having a secure classroom in time.

Santa Shop Location Suggestions

- MS STEM Room
- Library (In back)
- Classroom opens if the building project stays on time.

Jen Ferrell will talk to the Secret Santa Shop Rep.

## Little Caesars

Seeing how Mr. Griffin is not having his Pie fundraiser, we could do the Little Caesars sale. All sales are online and items ship directly to the families homes. Group agreed. Jen will contact Rep. (a November fundraiser)

## FB Poll Results

Pirate Parents Families voted Bowling as the family activity

We will need to investigate what the group can do. (free shoe rental? Or pay for a game each student?) Kristy can talk to Strike-out Lanes owner.

October 4, 2021

Meeting Held online via Zoom

Attendees: Jennifer F (president) Kristy N (VP) Rebecca R (secretary) Adam G, Bonnie C, Cherish, Nicole E, Jennifer H, Jessica M, Martha M, 3 via phone, Wendy R, Mrs. Yocum

## Fund Request

Mr. Lambdin generously provides the parking space and HS students volunteered for the Mumkins order sorting. The Pirate Parents could give \$400 toward a camera and one other item for the HS.

Group voted in favor of supporting Mr. Lambdin.

Nicole: Academic Boosters can split for  $\frac{1}{2}$  of the total cost of the items for Mr. Lambdin's request.

## Mumkins Follow-up

Sales were good. Many volunteers helped, some in meeting, and only 1 candle was not accounted for. (cost \$20) The group voted to refund the family the \$20 for the missing candle.

**Next Meeting scheduled for Monday November 1, 2021 6 PM via Zoom**

Meeting adjourned 7:20 PM
